## EDUCATION & PROFESSIONAL HISTORY:

Personally i have a firm understanding of facilitating, coupled with the necessary administrative skills to successfully project manage and produce, including liaison with all stakeholders, along with marketing, promotion & publicity via posters, website updates, press releases, and organising interviews with media. As a professionally trained artist i have been performing music LIVE since 1990, whilst employed, studying, and self employed, for fundraisers, official government functions (one highlight an acoustic performance to launch a federal government event by the Olympics Minister The Hon. Michael Knight AO), community radio & TV, open mics, cafes, hotels, plus highlight events at Circular Quay and Darling Harbour. In addition numerous behind the scenes pre and post production activities including: community TV production at the Sydney Opera House within an artistic team with a common goal.

### **ADELAIDE South Australia**
